Please answer the following questions [each answer should be 300 words or less]:

1. What skills, strengths, and qualities do you possess that would make you a good candidate for the Wisconsin Space Crystal Mission?

2. How do you think being a member of the Wisconsin Space Crystal Mission would benefit you? What experiences and/or skills would you like to gain from this project?

3. How do you think the Wisconsin Space Crystal project benefits the scientific community?

4. Please tell us anything else you would like us to know about your interests, achievements, or personality that may be relevant to the project.

The application should be submitted as follows:

1. Save the document as a PDF file in the format "2019WISCM_Yourfirstname_Yourlastname.pdf";
2. E-mail the document to the following three e-mail addresses:
Stephanie Twesme, Project Coordinator: sstwesme@gmail.com
Dr. Ilia Guzei, Project Leader: iguzei@chem.wisc.edu
Dr. Galina Bikzhanova, Project Scientist: Galina.Bikzhanova@covance.com.
3. The applications are due by 9:00 am on May 20, 2019.
